Sri N. V. Babu Reddy, Supt. of Police Reduced Area, Bangalore, was appointed Comr. of Police, Civil Station, Bangalore and placed in the grade of Rs 600-50/2-800 plus a C.A. of Rs 100/- pm. In G.O. No. 6819-22/C.B.260-47-1 dated 15-3-1948, Sri Babu Reddy was placed in charge of both the city and the Civil Station and designated as Dy. Sri Babu Reddy was given a salary of Rs 750/- in the scale of Jr. Dy. I. G. of Police which is fixed at Rs 600-25-800. The Hackney Carriage Allowance of Rs 150/- which Sri Babu Reddy was drawing, was discontinued. But he will continue to attend to this item of work. The other allowances will continue to be drawn by him as heretofore. (Vide G.O. No. 5124-6/Pol. 352-47-5 dated 24-9-1948.)

8) The above note explains the improvements made in the emoluments of Sris V.K. Somappa, R. Muthoji Rao Scindia and V. V. Babu Reddy from time to time.

9) The reasons adduced in support of his recommendation to create three classes in the cadre of Dy. Inspectors-General are that the Dy. Comrs. who are in administrative charge of a single D.t are divided into three class without any time-scale, that in the neighbouring provinces of Madras the Dy. Inspector-General's grade is Rs 1950-50-2150 and that in all the Provinces of the Indian Union the Police officers, amongst the Civil Servants, are given preferential

treatment in view of the strenuous and exacting nature of their duties.

10) The Dy. Comrs., though they are in charge of a single district, are in charge of several Depts. unlike the Dy. D. G. of Police whose sphere of duties is confined only to one Dept. (Police Dept.) ~~has regards the nature and exacting nature of~~ the duties of the Dy. Comr. appear to be more onerous and exacting than those of the Dy. D. G. of Police, though they are in charge of more than one district. As regards the Dy. Inspectors-General of the Province of Madras, it may be stated that their jurisdiction is greater than that of the Dy. D. G. of Police of our Province. The reasons given does not appear to support the recommendation of the D. G. Police.

12) The Inspector-General of Police's recommendation to institute three classes in the cadre of the Deputy Inspectors-General of Police as in the cases of Deputy Commissioners is based on two grounds :--

1. The Deputy Inspector-General is in charge of several Districts and should not be in status inferior to that of a Deputy Commissioner who is in charge of one District.

2. The Deputy Inspectors-General's grade in the neighbouring province of Madras is Rs.1,950-50-2,150, and this grade is higher than even that of other heads of departments there.

13) One cannot help a feeling that the Police Department has been growing very fast and has even become top heavy in recent years. The expenditure under salaries and establishment for the last seven years is abstracted below;

| | | | |
|---|---|---|---|
| 1. | 1941-42 | -- | Rs. 19,68,892. |
| 2. | 1942-43 | -- | 20,99,405. |
| 3. | 1943-44 | -- | 19,97,563. |
| 4. | 1944-45 | --- | 20,16,998. |
| 5. | 1945-46 | -- | 20,59,935. |
| 6. | 1946-47. | -- | 25,47,768. |
| 7. | 1947-48. | -- | 33,26,390. |

14) There was some justification for extra establishment and expenditure during the periods of political disturbances, war, and difficult political situations in neighbouring Hyderabad. Now that no such reasons exist, there is good ground for a drastic retrenchment in the Department, apart from the need to do so for paramount urgency from the financial view-point this year. As a matter of fact a Retrenchment Committee of Departmental Officers has already been set up, and it is hoped that it would be possible to cut down the ~~extra expenditure~~ Police budget by at least 20 to 30 lakhs. For some time to come, as at present, the work in the Police Department has to handle would be of prevention and detection of crime, the normal day to day routine of enforcement of traffic and other laws etc. Now and again

*Note*—Contn. Sheet

there may be some extraordinary situation, but never on any large scale, of watching the activities of political agitators, aliens, labour and student movements etc. For this, a normal prewar staff would do, both in the office as well as in other ranks. The only addition would have to be on account of the taking over of the Civil Area in Bangalore.

15) The first point to consider would therefore be whether we cannot reduce the number of Deputy Inspectors-General-- Where formerly a District Superintendent of Police was in charge of Railways and C.I.D., a Deputy Inspector-General is now in charge, though he is given jurisdiction over ordinary police work of four other districts. The Senior Deputy Inspector-General is given charge of the otner five districts plus, Police Training School, Provincial Reserve Police and other matters. The other Deputy Inspector-General, the latest to be created, is having charge of Bangalore City and Civil Area, plus the Provincial Reserve Police in that area. It is a point for consideration, by the way, whether such a large striking force need be maintained at all.

16) It is also for consideration whether all this distribution of work amongst the Deputy Inspectors-General has not lessened considerably the importance of the place of Inspector-General and the work in that office.

17) The number of officers' posts in the Department as it was in 1938 and as it is now, is given below, for comparison.

| 1938. | | 1948. | |
|---|---|---|---|
| 1. Inspector-General of Police.-- | 1. | I. Inspector-General of Police - | 1. |

18) It may also be stated that the question of amending the Police Act has been suggested by the Inspector-General of Police. The main reason for these amendments seems to be to enable the Deputy Inspectors-General being given some powers under the Act, without which they can do no work of importance. Apparently, the distribution of work ordered in G.O.No.6850-65/C.B. 260-47-2, dated, 17th March 1948 has not yet been implemented, and the Deputy Inspectors-General are just not doing anything, One cannot help a feeling that the posts ~~had~~ having been created ~~First, and then~~ work is sought to be found for them.-

19) Reverting to the grounds urged by the Inspector-General of Police for the course suggested, ~~and~~ I do not think they are acceptable. It would seem inappropriate to contend that Deputy Inspectors-General should be placed on a better footing than District Magistrates of Districts. It is not clear how the inferior status and pay of Deputy Inspectors-General "would tantamount to a serious anomaly." The idea seems to be based more on sentiment than on any reason, substantial or otherwise. In an emergency, after all, even the Inspector-General of Police whose salary is Rs.1,400/- has to take orders of a Magistrate who may even be of an Assistant Commissioner's grade. The District Magistrates are also, as Deputy Commissioners, Heads of the Police in the District and their hands should not be further weakened, by making the Deputy Inspectors-General superior in pay, rank, status, etc. Cases of instances in the past are not wanting where the District Superintendent of Police of a District is pulled two ways, one by the Police Departmental Head, and another by the Deputy Commissioner. From the administrative point of view, the proposals suggested by the Inspector-General of Police

Pay & Status of the Dy. Inspectors-General of Police

File No. 2636 CO of 1948. | General and Revenue Secretariat

Serial No.

Inspector-General of Police would seem to be definitely unacceptable.

20) It seems also not correct to attempt a comparison between the work of Deputy Commissioners and that of Deputy Inspectors-General. The Deputy Inspectors-General no doubt have larger charges but the Deputy Commissioner in addition to his revenue work, is the District Officer for various other departments like Food, Registration, Excise, Rural Work, etc. and has to co-ordinate and help in the work of other Departments like Agriculture, Public Works, etc. His work is certainly more onerous and exacting than that of a Deputy Inspector-General. When serious situations arise he has to shoulder the additional responsibilities along with his other heavy work, while it is not so for the Deputy Inspector-General, who would be having a comparatively easy time except during emergencies.

21) It would be unnecessary to compare the scales of pay of Deputy Inspectors-General in Mysore with those of Madras. Deputy Inspectors-General in Mysore are an innovation. Whether we should have such a large number of highly paid posts even now is first to be considered. If a comparison of the Deputy Inspectors-General in Mysore has to be made with those in Madras, re: pay, etc., the logical corollary would be to do so even with regard to posts of other departments. For a long number of years the scales of pay of Mysore Officers and their opposite numbers in Madras Province have differed, and it is well known, for good reasons.

22) In the result, the question may be deferred for two or three years, or at any rate till final orders of Government are passed on the question of retrenchment in the Department.

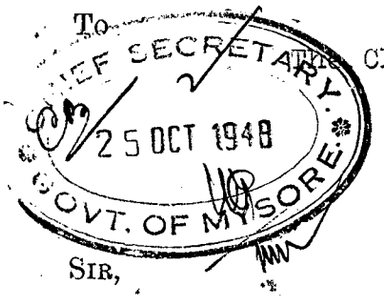
To

The Chief Secretary
to the Government of Mysore,
Bangalore.



SIR,

Pay and status of the Deputy Inspectors-General of Police in Mysore.

'J'

With reference to Government Order No.6850-55/C.B.260-47-2 dated the 17th March 1948 ordering the distribution of work between the three Deputy Inspectors-General of Police in Mysore, I write to bring for the urgent consideration and orders of Government that in view of the changed position and status of the Deputy Inspectors-General, inasmuch as they are placed in charge of Divisions comprising of several districts, a revision of their present scales of pay has become imperative. At present, there are two scales, viz. Rs.600-50/2-800 and another Rs.1,000-50-1,200.

The Deputy Commissioners, who are in administrative charge of single districts, are divided into three classes without any time-scale - first class on Rs.1,200, second class on Rs.1,000 and third class on Rs.800. The promotion from class to class depends on the vacancies and not regulated by length or duration of service. The Deputy Inspector-General being in charge of several districts to be continued in an inferior status and pay would tantamount to a serious anamoly. It would be only correct to place the Deputy Inspectors-General in a position superior to the Deputy Commissioners in so far as the pay and status are concerned, if not atleast on a par.

I would therefore strongly urge the Government to institute three classes in the cadre of the Deputy Inspectors-General as in the case of Deputy Commissioners fixing the present incumbents' class and pay as follows.-

| | | |
|---|---|---|
| First Class | Sri.U.K.Somappa,B.A. | Rs.1,200 |
| Second Class | Sri.R.Muthoji Rao Scindia, B.A. | Rs.1,000 |
| Third Class | Sri.N.V.Babu Reddy,B.A., | Rs. 800 |

If these proposals are sanctioned, the rightful position of the Deputy Inspectors-General of Police would be placed on a recognised basis and they would have their status raised to that of the Deputy Commissioners and would have similar precedence and privileges.

Incidentally I may mention that in the neighbouring Provinces of Madras, the Deputy Inspector-General's grade is Rs.1,950-50-2,150 and this grade is higher than the grades of officers of similar status in other Departments and even of Heads of Departments, such as the Conservator of Forests, Registrar of Joint Stock Companies, Director of Agriculture, Director of Health, Inspector-General of Registration and

and Director of Public Instruction.

In all the Provinces of the Indian Union, the Police Officers, amongst the Civil Servants, are given preferential treatment in view of the strenuous and exacting nature of their duties; and it would be only correct that in the changed conditions and the new status of Mysore, the same principle is adopted here also, if not atleast the principle of equality of treatment.

Yours faithfully,

Inspector-General of Police.

# CIRCULATION NOTE.

SUBJECT:- Raising the pay and status of the Deputy Inspectors-General of Police.

At present there are two scales of pay in the cadre of the Deputy Inspectors-General of Police--one, on Rs.1,000-50-1,200, which is allowed to Sri U.K. Somappa as Senior Deputy Inspector-General of Police and the other on Rs.600-50/2-800, which is allowed to Sri R. Muthoji Rao Scindia as Deputy Inspector-General of Police. In addition to these two posts, Sri N.V. Babu Reddy, whose rank is among the Senior Superintendents of Police, has been designated as Deputy Inspector-General of Police so far as Bangalore City jurisdiction is concerned and as Commissioner of Police for the Civil Station. He has been allowed to draw Rs.750/- in grade Rs.500-25S-800.

Now the Inspector-General of Police has recommended that there may be three classes in the cadre of Deputy Inspectors-General and that the present incumbents' class and pay may be as follows :--

1. First Class - Sri U.K. Somappa - Rs.1,200/-.
2. Second Class- Sri R. Muthoji Rao Scindia - Rs.1,000/-.
3. Third Class - Sri N.V. Babu Reddy - Rs.800/-.

The reasons adduced by the Inspector-General of Police in support of his recommendation are (a) that the Deputy Commissioners who are in administrative charge of single districts are divided into three classes, and since the Deputy Inspectors-General are in charge of several districts they should not be inferior in pay and status to the Deputy Commissioners, and (b) that in the neighbouring Province of Madras the grade of the Deputy Inspector-General of Police is Rs.1,950-50-2,150.

The note of the Chief Secretary in this matter is as follows:-

" The Inspector-General of Police's recommendation to institute three classes in the cadre of the Deputy Inspectors-General of Police as in the case of Deputy Commissioners is based on :

1. The Deputy Inspector-General is in charge tricts and should not be in status in-

though he is given jurisdiction over ordinary police work of four other districts. The Senior Deputy Inspector-General is given charge of the other five districts plus, Police Training School, Provincial Reserve Police and other matters. The other Deputy Inspector-General, the latest to be created, is having charge of Bangalore City and Civil Area, plus the Provincial Reserve Police in that area. It is a point for consideration by the way, whether such a large striking force need be maintained at all.

It is also for considera-tion whether all this distribution of work amongst the Deputy Inspectors-General has not lessened considerably the importance of the place of Inspector-General and the work in that office.

The number of officers' posts in the Department as it was in 1938 and as it is now, is given below, for comparison.

| 1938. | | 1948. | |
|---|---|---|---|
| 1. Inspector-General of Police | -- 1. | 1. Inspector-General of Police. | .. 1. |
| 2. Superintendents of Police (Civil Service -- 6) Non-Civil Service -7) | -- 13. | 2. Senior Inspector-General of Police. | .. 1. |
| 3. Asst. Superintendents of Police - 7 Plus 1 temporary | 8. | 3. Deputy Inspectors-General of Police. | .. 2. |
| | | 4. Senior Superintendents. | 3. |
| | | 5. Superintendents of Police (11 plus 1 temporary) | ..12. |
| | | 6. Asst. Supdts. of Police (15 plus 7 temporary) | ..22. |
| Total. | 22. | Total. | ..41. |

It may also be stated that the question of amending the Police Act has been suggested by the Inspector-General of Police. The main reason for these amendments seems to be to enable the Deputy Inspectors-General being given some powers under the Act, without which they can do no work of importance. Apparently, the distribution of work ordered in G.O.No.6850-65/G.S.260-47-2, dated, 17th March 1948 has not yet been implemented, and the Deputy Inspectors-General are just not doing anything of importance. One cannot help a feeling that the posts having been created work found for them.

Reverting to the grounds urged by the Inspector-General of Police for the course suggested, I do not think they are acceptable. It would seem inappropriate to contend that Deputy Inspectors-General should be placed on a better footing than District Magistrates of Districts. It is not clear how the inferior status and pay of Deputy Inspectors-General "would tantamount to a serious anomaly." The idea seems to be based more on sentiment than on any reason, substantial or otherwise. In an emergency, after all, even the Inspector-General of Police whose salary is Rs.1,400/- has to take orders of a Magistrate who may even be of an Assistant Commissioner's grade. The District Magistrates are also, as Deputy Commissioners, heads of the Police in the District and their hands should not be further weakened, by making the Deputy Inspectors-General superior in pay, rank, status, etc. Cases of instances in the past are not wanting where the District Superintendent of Police of a District is pulled two ways, one by the Police Departmental Head, and another by the Deputy Commissioner. From the administrative point of view, the proposals suggested by the Inspector-General of Police would seem to be definitely unacceptable.

It seems also not correct to attempt a comparison between the work of Deputy Commissioners and that of Deputy Inspectors-General. The Deputy Inspectors-General no doubt have larger charges but the Deputy Commissioner in addition to his revenue work, is the District Officer for various other departments like, Food, Registration, Excise, Rural Work, etc. and has to co-ordinate and help in the work of other Departments like, Agriculture, Public Works, etc. His work is certainly more onerous and exacting than that of a Deputy Inspector-General. When serious situations arise he has to shoulder the additional responsibilities along with his other heavy work, while it is not so for the Deputy Inspector-General, who would be having a comparatively easy time except during emerge

It would be unnecessary to compare the scales of pay of Inspectors-General in Mysore with those of Madras. Deputy General in Mysore are an innovation. Whether we should large number of highly paid posts even now is first to

If a comparison of the Deputy Inspectors-General in Mysore has to be made with those in Madras, re: pay, etc., the logical corollary would be to do so even with regard to posts of other departments. For a long number of years the scales of pay of Mysore Officers and their opposite members in Madras Province have differed, and it is well known, for good reasons.

In the result, the question may be deferred for two or three years, or at any rate till final orders of Government are passed on the question of retrenchment in the Department."

The Financial Secretary has noted on this file as follows:-

"I agree. The whole of the Ch. Secy's argument is a powerful and reasoned plea for reduction of high posts and in the striking force numbers of this Deptt. I have noted already that appointments created in view of emergencies should terminate with the emergency.

The proposals of the I.G.P. are financially unacceptable."

When the file was submitted to the Minister for Home, he minuted as follows:-

"The Council resolution dated 3-9-40 was for submission separately the scales of pay of Jr. D.I.Gs. It is for consideration whether the matter could be taken up now."

The Chief Minister's minute in this matter is as follows:-

"The question of retrenchment in the Police Department has to be taken up immediately. The Police Budget has gone on mounting up disproportionately. We have turned the corner I take it and normalcy is being reached. It is time we considered the whole matter comprehensively. I am afraid there are more D.I.Gs. than the circumstances warrant."

The Dewan has ordered that the question will be discussed at a meeting of the Council.

Subject:- Raising the Pay and Status of the Dy. Inspectors-General of Police.

At present there are two scales of Pay in the cadre of the Dy. D. G. s of police - one on Rs. 1000-50-1200, which is allowed to Sri M. K. Somappa as Senior Dy. D.G.P. and the other on Rs. 600-50/2-800, which is allowed to Sri R. Tukoji Rao Scindia as Dy. D. G. P. In addition to these two posts, Sri N. V. Baba Reddy, whose rank is among the Senior Supts. of police, has been designated as Dy. D.G.P so far as Bangalore City jurisdiction is concerned and as Comr of police for the Civil Station. He has been allowed to draw Rs. 750/- Grade Rs. 600-25-650

Now the D.G. of Police has recommended that there may be three classes in the cadre of Dy. Inspectors-General and that the present incumbents' class & pay may be as follows:-

(1) First-class. Sri A.K. Somappa Rs 1200.
(2) Second class. Sri R. Venkata Rao Scindia Rs. 1000.
(3) Third class. Sri N.V. Babu Reddy Rs. 800.

The reasons advanced by the D.G.P. in support of his recommendation are that the Dy. Comrs. who are in administrative charge of single Dts. are divided into three classes, and since the Dy. D.G.P.'s are in charge of several Dts. they should not be inferior in pay & status to Dy. Comrs. and (b)

that in the neighbouring province of Madras the grade of the Dy. Supdt. is Rs. 1950-50-2150
